

WHAT SETS US APART

ALBERS PLACEMENT CENTER

The center brings students together with business leaders. Assistance is offered with job search preparation and information on job and internship opportunities.

INNOVATION AND ENTREPRENEURSHIP CENTER

Designed to build and nourish the entrepreneurial spirit. Wherever our students choose to pursue their careers, they graduate with tools, skills and insights to develop their potential.

INTERNSHIPS AND MENTORING

Business leaders, community supporters and alumni serve as mentors and help connect students through networking, internships, business plan competitions and guest lectures.

CENTER FOR BUSINESS ETHICS

The center inspires business people to build business culture that respects persons, relationships, communities and ecosystems.

CAREER OUTCOMES

A sample of companies that hire Albers graduates includes Amazon, Boeing, Convoy, Ernst & Young, Expedia, JP Morgan Chase, Nordstrom, Parametric, PitchBook, PwC and Starbucks.

ALBERS SCHOOL OF BUSINESS & ECONOMICS

SEATTLEU

THE DIFFERENCE

The Albers School of Business and Economics develops exceptional business leaders who are values-driven and committed to advancing the common good. Students are immersed in an academic environment and professional programs that offer the knowledge and experience needed to succeed in the business world. An Albers education features:

- Classroom learning combined with real-world situations that link students with the business community.
- An education that prepares students to be ethical leaders.
- Small class sizes allow for personal attention and professor accessibility.
- Classes taught by experienced professors who are leaders in their fields and invested in student success.
- Nationally ranked and Advance Collegiate Schools of Business accredited programs.
- A superb location that offers quick and easy access to the business community.
- A commitment to social justice.
- Multiple internship and club opportunities.
- An active Alumni Association.

RELEVANT EDUCATION, REAL EXPERIENCE

MAJORS

- Bachelor of Arts in Economics (BAE)
- Bachelor of Arts in Business Administration (BABA)

Students pursuing a BABA choose a major from one of the following:

- Accounting
- Business Analytics
- Business Economics
- Finance
- Individualized Major
- Management
- Marketing

MINORS

- Accounting
- Business Administration
- Economics
- Entrepreneurship & Innovation
- Finance

PREREQUISITE REQUIREMENTS

Students are strongly encouraged to complete:

- Business Calculus or Calculus I
- Financial Accounting
- Managerial Accounting
- Macroeconomics
- Microeconomics
- Statistics

A minimum 3.0 GPA is required for both cumulative and major coursework for most majors. Accounting and Business Analytics may require a higher major coursework GPA.

Upper division business and economics transfer credits accepted only from Association to AACSB-accredited colleges and universities.

With a transferable Associate in Business degree, students can complete the BABA degree within two years.

ALBERS HIGHLIGHTS

Education abroad opportunities including short-term, faculty-led study tours.

10+ Albers student clubs and organizations.

Assigned faculty mentor and professional academic advisor.

Executive Speaker Series featuring leaders from companies and organizations such as Starbucks, Seattle Kraken, REI, Boeing and Microsoft.
