

# WHAT SETS US APART

## CLINICAL PERFORMANCE LAB

- The Clinical Performance Lab is located in Swedish Cherry Hill Medical Center, just a few blocks from the Seattle University campus.
- The state-of-the-art, 20,000-square-foot lab houses nursing simulation suites, skills laboratory classrooms and a research commons.
- In the lab, students translate theoretical knowledge into safe clinical practice using realistic patient scenarios.

## PREPARATION FOR NCLEX EXAM

- SU faculty help students prepare for their RN License.
- Exam preparation through classroom experiences, group activities and individualized coaching.

## EDUCATION ABROAD

- Students are taught the importance of global engagement beyond the borders of the U.S.
- Opportunities to visit partner schools and community health sites. Visit [seattleu.edu/abroad](http://seattleu.edu/abroad) for more information.

## WHERE OUR GRADUATES ARE EMPLOYED

- Harborview Medical Center
- Neighborcare Health
- Providence Health & Services
- Public health and community-based sites
- Seattle Cancer Care Alliance
- Swedish Medical Center
- United States Army
- United States Navy
- Virginia Mason Medical Center

## LENGTH OF PROGRAM

- Seven quarters

## ABOUT SEATTLE UNIVERSITY

Seattle University, founded in 1891, is home to nearly 7,100 undergraduate and graduate students within eight schools and colleges. Located on 50 acres in Seattle's Capitol Hill neighborhood, the Jesuit Catholic university is in the Top 16% among all universities in the nation, according to the *Wall Street Journal/Times Higher Education* "College Rankings 2021."

## MISSION STATEMENT

Seattle University is dedicated to educating the whole person, to professional formation, and to empowering leaders for a just and humane world.

TRANSFER TO  
THE COLLEGE  
OF NURSING

# BACHELOR OF SCIENCE IN NURSING

# SEATTLEU

# THE DIFFERENCE

The Seattle University College of Nursing educates and inspires leaders to transform health care for a just and humane world. Students are encouraged to look beyond symptoms and care for the whole person in the context of their family and community.

Nursing faculty offer a curriculum that is student-centered, values-based, evidence-driven and grounded in the tradition of Jesuit education. Through classroom, clinical and simulated learning opportunities, faculty prepare students to enter into practice as caring, knowledgeable and reflective nurses.

## A SEATTLE UNIVERSITY COLLEGE OF NURSING EDUCATION:

- Prioritizes relationship-centered care, inclusivity and personal leadership.
- Provides clinical experiences across the continuum of care in acute, primary and ambulatory and community settings.
- Emphasizes social justice and the dignity and worth of all people.
- Relies on collaborative and trusting relationships between faculty, students, staff and clinical partners.
- Prepares students to work autonomously and interprofessionally to assist people in their pursuit of health and well-being.
- Graduates nurses committed to the delivery of safe, competent, culturally sensitive and compassionate care.

## RELEVANT EDUCATION. REAL EXPERIENCE.

Clinical partnership sites include Swedish Medical Center, Harborview Medical Center, Seattle Children's Hospital, Virginia Mason Medical Center, Seattle Cancer Care Alliance, Northwest Hospital, Overlake Hospital, Providence Marionwood and Providence Regional Medical Center Everett.

## →→→ INFORMATION SESSIONS ←←←

Information sessions are offered in the summer and fall.  
Contact Admissions at 206-220-8040 or [transfer@seattleu.edu](mailto:transfer@seattleu.edu) for details.

# APPLICATION

## FALL 2022 BSN APPLICATIONS ARE DUE DECEMBER 1, 2021

Applicants must submit a Seattle University Transfer Application.

### A COMPLETE APPLICATION INCLUDES:

- Seattle University Transfer Application
- Seattle University BSN Application Essay
- Activity log detailing relevant volunteer or work experience
- Official transcripts from each college, university or professional school attended  
*\*Applicants enrolled in Fall 2021 courses must submit their updated transcripts at the end of the term.*
- If applicable, official AP and CLEP exam scores
- A \$60 application fee (waiver options available)
- If applicable, proof of English proficiency

*The College of Nursing does not require letters of recommendation, Certified Nursing Assistant Certification, ACT/SAT scores or TEAS scores.*

### BSN APPLICATION ESSAY

Essay questions allow applicants to reflect on their desire to become a nurse and their interest in Seattle University's Bachelor of Science in Nursing program.

### INTERVIEWS

Candidates selected for interviews will be notified by email. Interviews will be scheduled in the winter.

### ENGLISH PROFICIENCY REQUIREMENT

Students for whom English is not a native language will be required to provide proof of English proficiency, regardless of citizenship status, length of time in the U.S. and academic history. BSN applicants must demonstrate English proficiency at non-English Language Culture Bridge program level. Proof of English proficiency must be received by the application deadline. More information is available at [seattleu.edu/admissions](http://seattleu.edu/admissions).

# PREREQUISITES

APPLICANTS MUST COMPLETE THE FOLLOWING PREREQUISITES NO LATER THAN THE END OF SPRING QUARTER/SEMESTER:

- BIOL 1100: Intro to Cell Biology
- BIOL 1200 + 1210: Anatomy and Physiology I and II with labs
- BIOL 2220: Microbiology with lab
- CHEM 1200: Intro to Chemistry
- MATH 1210: Statistics
- MATH 1010: College Algebra for Business, Precalculus or higher  
*(Statistics does not meet this requirement)*
- NURS 3705: Nutrition
- PSYC 1200: Introductory Psychology
- PSYC 3220: Growth & Development  
*(must cover birth to death lifespan)*
- Associate degree, 90 transferable quarter credits or completion of prior BS or BA degree
- Hands-on art class *(for students not completing a transferable associate degree, BS or BA degree)*

*College level cumulative and prerequisite GPA must be 3.0 or higher.*

*A minimum grade of 2.0 is required in each prerequisite.*

*Math 1010, nutrition and psychology coursework must be completed within 10 years of anticipated program start date.*

*Science and Statistics coursework must be completed within five years of anticipated program start date.*

*Seven of 10 prerequisite courses must be completed by application deadline including at least one Core science (A&P I, A&P II and Microbiology) and one math course (College Algebra for Business/Precalculus or Statistics).*

*No more than two courses can be repeated unless out of date. Please provide a supplemental written statement explaining the reason for the repeated course.*

*Prerequisites are subject to change.*

## 2021-22 NURSING STUDENT PROFILE

- 85% Female/15% Male
- Average Cumulative GPA: 3.566
- Average Prerequisite GPA: 3.718

### TRANSFERRING INSTITUTIONS

- Community Colleges: 69%
- 4-Year Colleges/Universities: 31%
- Postbaccalaureate: 17%
