[www.csuchico.edu/international](http://www.csuchico.edu/international)

CSU, Chico offers high-quality academic programs in an affordable, safe, and beautiful university town in California. Our students can choose from **over 200 degree options** and more than 750 companies visit the Chico campus each year to recruit future employees. US News & World Report, Money Magazine and Forbes all agree that CSU, Chico is a top pick among US public schools for educational quality and value.

## Highlighted Programs:

- Business Administration
- Computer Science
- Engineering
- Interior Architecture
- Business Analytics
- Psychology

CSU, Chico's inspiring natural beauty, friendly campus and community, and meaningful relationships with faculty and staff, drive student success. Students partner with faculty, collaborate with staff, and manage student programs to gain hands-on research experience and real-world training, all while building relationships that will last a lifetime.
