AMERICAN LANGUAGE & CULTURE PROGRAMS

INTENSIVE ENGLISH

Intensive English is a non-credit ESL program that provides non-native English-speaking students the opportunity to achieve the English language efficiency for undergraduate admissions to the university. This program is also open to professionals who want to enhance their skills in the English language.

STUDY AT STAN STATE

Students can study at Stan State for one semester or year without going through the formal admission process to the university. Earn university credits that can be transferred to your degree program while embracing the California student life. Study at Stan State offers programs at the undergraduate and graduate levels.

REQUIREMENTS:

- TOEFL iBT: 61
- TOEFL PBT: 500
- IELTS: 6.0
- Transfer students who have taken an English composition course at U.S. higher education institution with a grade of B or higher
- Attended a U.S. high school for 3 years

SHORT-TERM AND CUSTOM PROGRAMS

Stan State offers short-term and custom programs for international high school, university, and student groups. During the summer, university students can study Business English or Intensive English and high school students can participate in our Volleyball + English camp. Groups of 10 or more may request our Experience Northern California program as a fun way to improve English communication skills and learn about the region. Groups can also request custom programs on a wide variety of topics such as English skills, computer science, business, agriculture, Teaching English to Speakers of other Languages, and music, to name a few.

For more details on customized programs please contact us at: ALCP@csustan.edu

Learn more at: csustan.edu/ALCP

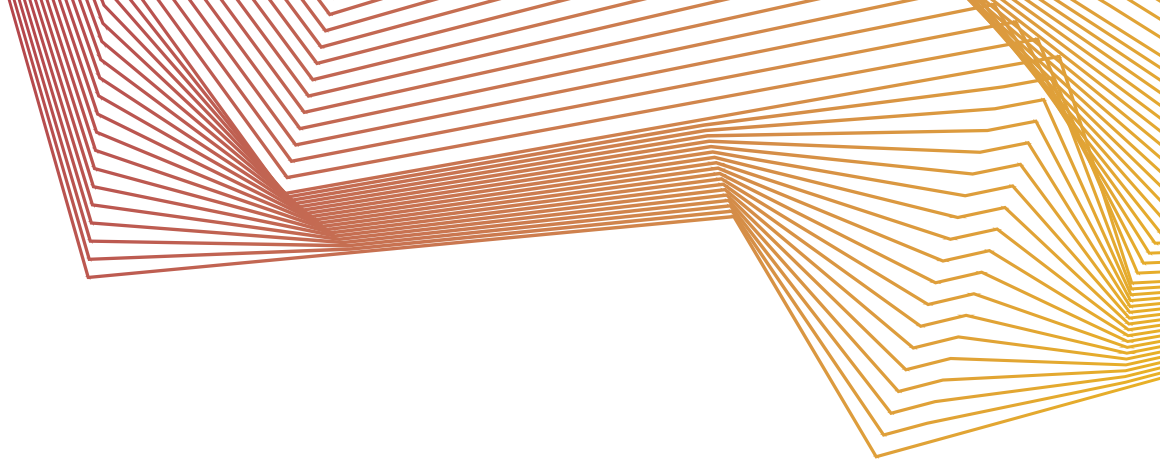

COST

The CSU System strives to keep student cost to a minimum through the public university system. Stan State offers competitive pricing making the transition to fulfill your academic goals possible.
