Valentin (Belarus) International Affairs

"I decided to attend NAU for a number of reasons. The most important were excellent scholarship opportunities for international students, tuition that is promised to be the same for four years, good programs, and a beautiful campus—as well as good sports facilities and a great climate."

Established in 1899, Northern Arizona University (NAU) is a prestigious public institution in Flagstaff, Arizona. More than 22,600 students attend the university in Flagstaff, with 10,400 living on campus. NAU is well-known for its excellent academic programs and student-centered approach to higher education. Here, you will find the support you need to reach your goals: professors who encourage you to learn, exciting research opportunities, and career-building internships.

Flagstaff is a vibrant mountain town with an exciting entertainment scene and unparalleled natural scenery, only 90 minutes from the Grand Canyon and 3.5 hours from Las Vegas.

Scholarships for international students are available at NAU. New, transfer, and continuing F-1 international students may be eligible for up to **\$10,000** (USD) per year in tuition awards. For more information, please email studynau@nau.edu.

HOW TO APPLY?

- Complete the online application at nau.edu/cie/apply.
- Submit your official transcripts for secondary and post-secondary education.
- Submit your English proficiency score—minimum scores: TOEFL 70 or IELTS 6.
- Students without proof of English proficiency are eligible for conditional admission.
- Provide proof of financial support.

The W. A. Franke College of Business (FCB) offers degrees accredited by **AACSB**, ranking in the top 5 percent of 13,000 business programs in the world. The college is named for Bill Franke, who invested \$25 million in FCB's cutting-edge building and programs.

College of Engineering, Informatics, and Applied Sciences (CEIAS) programs hold internationally acclaimed ABET accreditation and have earned top rankings on the *U.S. News & World Report's* "Best Colleges" engineering programs list.

Jeehyae (South Korea)

Hotel and Restaurant Management

"I chose Northern Arizona University because I loved the academic plans offered. When I moved to Flagstaff, I did not expect that I would adjust and become part of the community so quickly. NAU has many events that students can enjoy and good academic support services to help students succeed. In my experience, joining a club helped me to make friends while sharing my culture."
